

## Limited Warranty Summary

For Blue Sky Energy's GREENROCK Energy Storage System

BlueSky Energy's warrants its GREENROCK products, when used as intended, for eight years from the date of shipment.

### BLUESKY ENERGY'S EIGHT-YEAR LIMITED WARRANTY

BlueSky Energy ("Seller") warrants to the purchasing party ("Buyer") that its products will be free from defects in materials and workmanship and conform to the Seller's published specifications for a period of 96 months from the date of shipment, when used as specified in the Product Installation & Operation Manual and Seller's official published specifications for the corresponding product line as found on the Seller's Product Documentation web page.

In the event that any Product fails to comply with the foregoing limited warranty, Buyer must promptly (but no later than expiration of the applicable warranty period) contact Seller.

Within the first 60 months of the warranty period, BlueSky Energy shall replace or repair, at its sole option and expense, any defective Products or parts thereof that prove to be defective and return such repaired/replacement Products to the Buyer, freight prepaid by Seller. After the first 60 months but before 96 months, Seller shall replace or repair any defective Products, at a cost to Buyer calculated by taking the number of elapsed months from date of shipment divided by 96, multiplied by the current purchase price of the Product. Replaced parts or products are not granted an extended warranty and are bound by the length of warranty and terms of the defective product.

### CONDITIONS

All operating conditions necessary to meet warranty requirements are detailed in the Product Installation & Operation Manual.

Authorized BlueSky Energy Distributors, Dealers, and Sellers may offer additional warranties on BlueSky Energy products, energy systems integrating BlueSky Energy products, or complementary equipment sold with BlueSky Energy products.

Contact your Authorized BlueSky Energy Distributor/Dealer for any claims you may have under the Distributor/Dealer's additional warranty.

This is a summary of warranty terms. The controlling document for full warranty terms is the BlueSky Energy Standard Terms and Conditions of Sale.
